THE SUNFISH, HOBIE AND WINDSURFING SAILING/SUP SMALL BOAT SAILING/SUP PLAN, COURSES AND STUDENT OFFERINGS:

Many students are most interested in completing the SUNFISH, HOBIE AND WINDSURFING SAILING/SUP SMALL BOAT classes in quick succession while they are focused on the learning curve. The next three classes are Basic Keelboat, Basic Coastal Cruising and Bareboat Renting, which allows the sailor to cruise worldwide and rental various size sailboats worldwide as well. During this class you will travel down to Galveston, sail in the Gulf of Mexico and spend the weekend on the boat, a favorite of members and students alike. The fourth class is Coastal Navigation where charts are studied allowing the students to proceed to areas not previously traveled. Finally ACC 106 is the advanced class taught over a weekend traveling to a new port.

Finally, to recap the SMALL BOAT classes that follow THESE ARE:

- 101 Basic Keelboat, begin to sail the larger keel boats
- 103 Basic Coastal Cruising, proceed to unfamiliar local waters
- 104 Bareboat Cruising, proceed to rental worldwide
